Soli Deo Gloria Concert Band

Dr. Patricia Backhaus, Director

We are a dedicated group of WELS musicians who gather a couple of times a year to present concerts as an outreach to the community. Under the leadership of Dr. Patricia Backhaus, the band offers an opportunity for WELS/ELS musicians to share their talents in concerts that are family friendly.

Lutheran Military Support Group is a non-profit organization providing Christ-centered support to WELS/ELS military service members, veterans, and their families.

There are many opportunities to make a Synod-wide difference by driving national programs, projects, recognition, and support for ELS/WELS military service members and their families.

Our organization wants to encourage local awareness, education, and projects at the congregational level. There are also outreach/evangelism opportunities that might present themselves to individual congregations as the result of the activities of LMSG.

The Mission of Soli Deo Gloria Institute for the Arts, Inc. is to provide opportunities for WELS artists to use their gifts and talents to the Glory of God Alone.
